

DAPRA® extends your reach even further...

With NEW Carbide Core Modular Extensions

Dapra is pleased to announce a new line of Carbide Core Modular Extensions to complement our existing Modular Heads and Extensions. These extensions feature:

- Weldon shanks in standard inch sizes – ideal for standard end mill holders
- 3 sizes to accommodate modular head sizes from 3/4" to 1 1/2"
- Carbide core for enhanced vibration dampening capability; reduced deflection and improved rigidity
- Optional add-on extensions for additional 2" reach – screw on to base extensions (for 3/4" to 1 1/2" modular heads)

Buy a complete modular setup, including (1) a Carbide Core Extension, (2) a 2" Add-On Extension and (3) a Modular Head (see opposite side of this flyer), and receive 10% off the complete set! Component part sizes are not required to match in order to receive the package 10% discount.
